The Rhorea Staff has established an annual contest to promote yearbook sales. This is the second year of nominating candidates from each class and then electing a Panther Pal by majority of votes.

David Lake, Larry Steinbacker, and Tom Cole were elected in the primary.

David Lake was crowned Panther Pal in a pep assembly December 5. This is David's second year as a candidate for this honor. He was also presented with a letter accompanied with a kiss on the cheek from cheerleaders Lynda Lynch and Susan Stevenson.

David has done a fine job in creating enthusiasm during the past three years as class cheerleader.

Foreword

The months you have spent at GBHS have afforded you an opportunity to extend your knowledge, to develop your value judgements, to prepare yourself better for your future responsibilities, and to create a new and wider circle of friendships which will enrich your entire life.

We, the staff, feel sure that along with your own memories, the 1961-62 Rhorea will give you a complete picture of -- "The Year 1962."

Hours of enjoyable work and planning were evident in the success of the 1962 Junior-Senior Prom.

"Isle of Dreams," the theme, was quite adaptable to the atmosphere the decorations presented. Amidst the dark of the night and multitude of stars appears a volcanic island, which made a romantic setting for the beautifully dressed girls and their well-groomed escorts.

The evening was highlighted by the crowning of the Rhorea King, Larry McCormick, and Rhorea Queen, Lynda Lynch.

The throne from which they reigned was in the center of a volcano island.

The melodious music of the Chancellors from Hutchinson made the Hawaiian setting complete.

Silver Anniversary Tribute

The Rhorea Staff of 1962 dedicates this yearbook to Lester Spong, teacher of chemistry and physics. We are especially proud to do this on Mr. Spong's silver anniversary of teaching at Great Bend High School. His teaching during the past twenty-five years has been a guiding inspiration toward higher goals among the students. His humor and wit add much to his classroom, as do his smile and friendly personality. Some of his students are second generation pupils.

It has always been his aspiration to encourage in students a desire to know more about science and to participate in science fairs and projects. In order to keep abreast of the times, Mr. Spong has taken advantage of many available programs and materials to keep himself and his students up-to-date on the advancements and discoveries in the field of science.

Mr. Spong's never tiring service to his students and G.B.H.S. remains as a permanent influence upon all who know him.

Administration & Faculty

Serve School and Community

The Board of Education is a unit of competent, dedicated citizens working as a public service for the advancement of the Great Bend schools.

At their monthly meetings, the members handle all non-administrational business of the school, including matters relating to the budget and building programs, curriculum changes, and general policies for the management of the school system.

Seek Educational Improvements

MISS FLORENCE MEISTER
School Nurse

The role of the administration is one of responsibility. Faced with ever increasing enrollment in all classes, they are busy co-ordinating and directing a full-time schedule. Their decisions in the school involve a wide range of activities and interests.

R. E. Gunn, who has been in the school system for 17 years, has seen some major changes in the school system. His most important duty is "to see that the young people of GBHS have the best educational opportunities possible." He also strives to keep curricular and extra-curricular activities co-ordinated.

Every year student teachers from Fort Hays State College come to GBHS to practice teaching techniques. Beverly Lower, Douglas Lawson, Larry Guinn, Bob Ridgway, Dr. Billy Broach, Eugene Davis, Carol Mooney and June Prout are receiving further information on the procedures used here at GBHS.

During free periods or spare time, the lounge is a favorite refuge for teachers and secretaries. During the KSTA vacation, new equipment was installed. Maxine Riddle and Mrs. Mary Wilbur are expressing the pleasure and appreciation felt by all the teachers.

Education influences character, values, choices, and, in turn, determines the goals one sets for himself.

Teachers are engaged in the endless, often arduous task of preparing new generations for the future. They spend innumerable hours working with the students, not only on class work, but with the extracurricular activities.

Teachers are participating citizens, striving to represent their profession in the community, and setting an example for the student. They open doors which lead in many directions for the students.

Seniors, Juniors, & Sophomores

Class of '62

Howard Kingsley, salesman, displays samples of graduation announcements to members of the senior announcement committee Karin Burns, Susan Stevenson, Gary Otte, Don Christiansen, Jeanne Routh, Kenney Barb, and Dale Cole.

Richard Calcara looks at the stationery being sold by the senior class officers Karin Burns, treasurer; Susan Stevenson, secretary; David Lake, cheerleader; Dale Cole, president; Jeanne Routh, vice-president; and Harry Kline, sponsor.

The Class of 1962 entered GBHS with an enrollment of 257. As sophomores, the class of '62 worked at concession stands and presented the sophomore 1-Act play, "The Leader of the People" for the enjoyment of the student body.

During their junior year the Class of '62 took their 1-Act play, "Finders Keepers," to the league contest. The juniors chose unique class rings and sold magazines to help finance the prom, "Silent Majesty."

As seniors, numbering 203, the class chose black for their caps and gowns. The year was climaxed by the prom and a picnic in the spring.

Juniors

The juniors started the year out with approximately $322 in their treasury and an enrollment of 227 students.

Don Beahm as class president and Karen Greene and Patty Converse as cheerleaders helped lead the class and boosted school spirit.

With earning money for the Junior-Senior Prom as their goal, they sold magazines, managed concession stands, and produced the Junior 3-Act play.

The traditional class rings highlighted the year and helped to make it a memorable one for the juniors.

Members of the Junior Ring Committee Kathy Portman, Mary Hansen, Marie Wilson, Mickey Gunn, Don Beahm, and Tom Curtis are pictured with Mr. Rose, representative of the Josten Jewelry Company.

Junior class officers Don Beahm, president; Tom Curtis, treasurer; Carol Papay, secretary; Mary Hansen, vice-president; and Mickey Gunn, cheerleader, help Mr. Spong, junior adviser, talley the money raised by the magazine sale. Mr. Spong's room won the honors, and Phil Quinley was top salesman.

Stuco Initiates Foreign Student Program

Students feel it is an honor to belong to the governing body of GBHS which has been in existence since 1940.

Student Council is alert to the problems of the student body. The representatives work with the faculty, the administration, and the community to promote the best for GBHS.

Raising money to sponsor a foreign student for GBHS was a new project of STUCO this year. Another activity included the after-the-game dances. Several committees were appointed to participate in different aspects of school and community life.

The STUCO officers this year are Kenney Barb, president; Jim Shea, vice-president; Susan Stevenson, secretary; and Marie Wilson, treasurer. Mr. Starky and Mr. Dryer are STUCO counselors.

The Executive Committee, Susan Stevenson, Kenney Barb, Marie Wilson, Mr. Starkey, Jim Shea, and Mr. Dryer, contributed numerous gratifying hours in planning organizational functions of STUCO.

The Building and Grounds Committee, Phil Quinley, Dennis Morrison, Mary Wess, and Cheryl Pettit, help pick up after games.

Twenty Seniors in Upper 10 Per Cent

Twenty students comprised the upper ten per cent of the Senior class of 1961-1962. These students not only excelled in scholarship, but also participated in many extra-curricular activities. They were chosen according to school records on yearly grades, with the final selection being made after grades for seven semesters had been compiled.

Members of the Senior Scholastic Group received their awards in the Recognition Assembly May 18.

"It was hard work, but it was worth it," said Jim Harders, Lorrie Kanago, Beverly Smith, Allen Keiswetter, and Don Christiansen when they saw their names on the scholastic group list.

National Forensic League Honors Debaters

The objective in the National Forensic League is to promote interest in membership of a national honor society. It represents recognition of achievement of which a member will always be proud. For many students it is a pinnacle of their high school career. The greatest value of membership is the encouragement and incentive achieved by the speaker, making him a more successful and more influential citizen.

There are four degrees offered--merit, honor, excellence, and distinction. A student can accomplish these different degrees by points awarded for speeches, debate contests, and forensic contests. The merit degree certificate is awarded after 25 points are acquired. To this certificate different colored seals are added for each degree earned. Next is the honor degree that requires 75 points and an emerald jeweled pin is received. The excellence degree of 150 points and a sapphire pin is then offered. The highest degree is that of distinction, which requires 250 points with a ruby pin given to the individual.

NFL members who obtained these degrees are Robert Gingrich, distinction degree, Sandy Martin, Allen Keiswetter, Karen Bessmer, and Frank McIntire, excellence degree. Barbara Wolf and David Howell, honor degree.

Sandy Martin, seated, Frank McIntire, Karen Bessmer, and Allen Keiswetter looked through the Chapter Manual to determine their point average.

Concert Band Sparks Enthusiasm

Pep and enthusiasm were the key words of the Black Panther Marching Band under the direction of Joe Boley. David Axtell and Terry Lewis directed the band during the half-time performances at the football games and at the annual Band Day. The band traveled to Manhattan for Band Day at Kansas State University on October 7. For the first time in many years the weather was favorable so they could perform at all the home football games.

The concert band and the choir gave a Christmas program December 17. The flute choir and brass choir presented special numbers. The school concert was given on March 9 and in the spring the annual band tour was planned.

Band officers serving the year were Diana Weatherbee, publicity chairman; Dixie Schenk, librarian; Shirley Hitschmann, social chairman; Mary Abbott, secretary-treasurer; Kenny Rogers, vice-president; Ron Carr, president; Richard Sankey, equipment; and Joe Boley, band director.

The two colorful pep bands gave fine performances this year. The red and black pep bands took turns playing at all the home games, and helped create good school spirit.

The school dance band, "The Mellow Teens," did a splendid job playing for the class plays and homecoming ceremonies. They also traveled out of town to play for dances at other schools.

Several ensembles performed at the District Music Festival at Ellinwood. Those that received superior ratings were eligible to go to the State Music Festival to try for a state rating.

A banquet in the spring for the band members and their parents was enjoyed by all who attended. The awards were presented to those who earned their points and the new band officers were announced.

Student director, Dennis Michaelis, leads the band during a march.

Panthers Tales Staff Meets Challenge

The Panther Tales, the school newspaper, covers stories on organizations, school activities and social events of the students and faculty. The paper was published sixteen times this year.

The staff obtains valuable experience in selling advertising, advertising make-up, writing and processing copy while working to meet ever occurring deadlines.

Among the highlights of the year, was the journalism clinic at Hays, October 18. The staff returned home with many interesting and colorful ideas for their paper.

Typing up final copy for the paper is one of importance, as accuracy is essential. Carol Nuss, Kay Kruckenberg and Pat Alexander are busy working for the deadline.

Preparing the copy for advertising is important. Bob Kuhn, John Hampton, Lloyd Leinmiller and Eldon Klein are putting their efforts into making ads and drawing up the ad dummy.

The journalism department exchanges papers with other schools in the state and a few out of state. Here Jeanne Routh is addressing Panther Tales to send in exchange while Nancy Muth checks the records.

This year the Panther Tales staff took a trip to Hays on October 18 for a journalism clinic. Rhorea editors Lynda Lynch and Christy Volkmann also went along.

of Newspaper Publication

Publishing this paper takes many hours of hard work. The editor has many duties ranging from handing out assignments to proofreading. The business manager records all business transactions and supervises the selling and distributing of the paper.

Panther Tales has completed seventeen years of outstanding service under the supervision of Miss Alice Unruh, journalism instructor. The paper has proved to be a valuable asset to the students and the community.

Sales at the junior highs and high school accounts for part of the money taken in. Members of the staff are preparing to launch their sales program.

The final step before sending the paper to the press is putting the pages together. Miss Unruh, faculty advisor, is shown here supervising Jim Shea, Carol Nuss, Barb Herl and Pat Alexander in this task.

Members of the staff must proofread the galleys before the paper is put together. Linotype and factual errors must be corrected.

From September to May the Rhorea Staff works with great determination to compile the yearbook. They acquire experience and knowledge in several aspects of journalism that include designing art copy, planning of layouts, and composition of copy and headlines. Students also participate in classroom work and discussion to learn the fundamentals of journalism.

The division of the staff into editorial journalism and commercial art proved valuable in compiling the yearbook. Miss Alice Unruh and Curtis Sweet advise each department respectively. R. E. Gunn, principal, is financial advisor for the Rhorea.

John Suellentrop proved to be an indispensable member of the journalism staff because of his excellent photography and on-the-spot coverage of nearly all school events. Certainly he is deserving of this well-earned praise.

The paste-up is the final phase before Rhorea pages are shipped to the publisher. Shown here identifying pictures are Terri Wormeringer, Barbara Herl, Diana Montgomery. Standing: Kent Kottwitz.

Debaters Study 'Federal Aid to Education'

The 1961-1962 debate squad under the direction of Mr. Parker had a successful year participating in tournaments at Moundridge, Garden City, Dodge City, Wichita South, Hutchinson, and Larned. They attended the clinic at Fort Hays and district tournament at Hays.

The debate squad participated in 107 rounds of debate with a record of 52 wins. Debaters Allen Keiswetter and Sandy Martin received a trophy for third place at Garden City. With thirteen members only four seniors, the debate squad has a very promising outlook for next year.

Allied Activities

Varsity alternate Barb Herl and the B-team cheerleaders Martha Schumacher, Winnie Anderson, head cheerleader; Patty Ross, and Lynn Etchen, B-team alternate, did an outstanding job this year to help support the team.

Set Pace for School Spirit

The Varsity Cheerleaders were kept on-the-go, working to make the '61-'62 season the best ever. The girls designed their uniforms, attended cheerleading clinics in Hays and Wichita, and, under the direction of Janis Simmons, head sponsor, taught new tricky cheers to the Pep Club, planned all skits for pep assemblies, and cheered the Panthers to victory.

The football season uniforms were black wool toreadors with red corduroy ponchos trimmed in black fringe. These were very practical and kept the girls warm, as well as making them look neat and trim. The basketball season uniforms were red wool box-pleated skirts with black bulkie sweaters. The letters on the sweaters were also designed by the girls and had their individual names on them.

Peppy Panther, portrayed by Lana Boyle or Wilda Jeffrey, was right out front at every home game. With his wild enthusiasm, he assisted in leading the Pep Club in cheers.

All of these jobs and many more show the capability of the Varsity Cheerleaders. Congratulations to them for a job well done.

The Varsity Cheerleaders showed great enthusiasm at each of the football games.

Pep Club Breaks Membership

The Pep Club is an important part of the student body. They put spirit into the yells and create enthusiasm at all pep assemblies and games. This year Pep Club broke its membership record with 165 girls joining to cheer the Panthers on to victories. School spirit improved greatly with the club promoting school support at the basketball and football games. The designated uniform of a red sweater and black skirt added color to the Pep Club cheering section.

Main projects of the year were the Homecomings and the annual Corrigan dance sponsored by the Pep Club. Corrigan Week was fun and exciting for most of the students. The week ended with the Corrigan Dance at which time a Corrigan King was crowned. He was nominated and voted on by the girls in Pep Club.

Giving help and advice to the club is the main job of the sponsor, Mrs. Kessinger.

Future Teachers Preview Chosen Profession

FTA provides an opportunity to improve character and personality, to take a realistic look at teaching, to study qualities, traits, and aptitudes which good teachers possess, to observe and try teaching situations, to study and visit colleges and universities to select the correct school, and to get ready for college.

The goal of FTA is to stimulate interest in the teaching field to a greater extent.

Some of the programs FTA carried out this year included a breakfast for the teachers, student teachers, and FTA members; a picnic; ran the concession stand at a game; visited grade schools; and had speakers talk on phases of teaching.

FTA girls came early to prepare the breakfast given for teachers and memebers. Ready to serve are Nancy Gore, Joanna Shrader, Karin Burns, and Susan Stevenson.

Karin Burns and Joanna Shrader serve Miss Unruh, advisor and Mrs. Scheuerman, home economics instructor.

By running a concession stand at the game, FTA members earn money to help pay expenses to the convention.

Hi-Y Maintains High Standards

Clean speech, clean sportsmanship, and clean living are only a few of the qualifications that boys must possess to be desirable Hi-Y members. The purpose of Hi-Y is to create, maintain, and extend throughout the school and community the high standards of Christian living.

Films of sporting events and lectures by local men are only two of the many activities that are enjoyed by Hi-Y members. They usually have a picnic in the spring of the year and co-sponsor a Kayette-Hi-Y dance.

Keep Busy Developing Practical Skills

FFA boys keep busy working on projects, on judging teams, and with livestock, and they attend conventions and contests.

In May two delegates, Alan Bartholomew and Richard Feldman, attended the State FFA Convention; Gary Otte is a candidate for the State Farmer Degree. A livestock and a dairy judging team entered the State contest.

The programs planned for the year include a number of educational trips and a Parent and Son banquet.

Some of the projects this year included building a mineral feeder, a squeeze chute, a portable loading chute, farrowing pens, a salt feeder, a combination hay and grain feeder, and a swinging blade for the front end of a tractor. Other projects were remodeling a combine, overhauling a truck engine, refinishing a truck, and making punches, chisels, and clevises.

Building a squeeze chute required careful planning by Richard Feldman.

Jim Essmiller completely overhauled a truck motor for his vocational ag project.

Gordon Warnken, Larry Schneider, David Dennis, and Ronnie Tammen find their projects interesting as well as educational.

Building a cattle feeder isn't as easy as it looks says Bob Kuhn.

The purpose of Safety Club is to make the students aware of driving hazards and become acquainted with safety procedures that may be followed. Violations are published so that careless driving may be reduced to a minimum.

The organization has viewed and discussed the film "Death on the Highway." They have also heard talks on different insurance plans by a local insurance group.

Plans for the year included a safety check of students' cars during Safety Week, a safety assembly to present awards, and the sending of representatives to the State Convention.

The membership of Safety Club has doubled since its start two years ago. The sponsors Dale Howell, Curtis Sweet, and Tom Hamel have done an outstanding job in organizing the club.

Viewing slides and films, presenting skits, and corresponding with people in Spanish-speaking countries kept the students well informed on the happenings of their Spanish friends.

Mrs. Fern Atkinson, language teacher, sponsored the organization.

Keep Up with Science

Since the Science Club was composed largely of Juniors this year, they spent most of their time in completing the fundamental requirements necessary for a productive year in '63. Tentative plans were to attend the Pratt Regional Science Fair, present a Science Assembly, and make a field trip to the KU Science Department. At their regular meetings, members and guest speakers presented programs concerning some particular field of science that interested them.

The club was sponsored by Lester Spong, science instructor.

For Years of Service

and...

MISS EDA ALLIS

Now retired and living in Topeka, Kansas, Miss Allis is a veteran of 34 years at GBHS. She has taught many students the fundamentals of the English language. The school and its students owe Miss Allis a big debt of gratitude for all the years of work she has bestowed on them. Thanks Miss Allis.

Mrs. Ann Folkerts has worked in the high school cafeteria since the establishment of the senior high building eleven years ago. She has been head of the group for a number of years. Under the direction of Mrs. Folkerts, the cafeteria has worked to please students and faculty. Our thanks to Mrs. Folkerts for her hard work.

MRS. ANN FOLKERTS

In

sincere

appreciation

Of all of the citizens in Great Bend, probably no two people have put forth more time and effort toward the betterment of the Great Bend city schools than have Mr. and Mrs. Herman Colegrove. The advancement of education has been one of their prime interests. They have been most loyal and, when able, have attended all school plays, concerts, operettas, and graduation ceremonies.

Mr. Colegrove held the position as clerk of the school board for 39 years.

Mrs. Colegrove taught commercial courses in the Great Bend schools before their marriage. Since that time, she continued this interest by helping her husband with the school system accounting, check writing, and similar endeavors until his retirement this year.

Although some of us may not recognize the Colegroves personally, we wish to show our appreciation for the time and effort they have contributed to education throughout the public schools of Great Bend.

Though time may wash away the years of youth,
the memory lingers on.
